

## LEADING CHANGE 2016:

### PREPARING FOR THE NEW PARADIGM

Apply today to attend [Leading Change – The Forum for Emerging Environmental Leaders](#) at the Morris J. Wosk Centre for Dialogue in Vancouver, BC on March 1<sup>st</sup>, 2016. The one-day Forum, engaging 150 Future Leaders, is held in association with the GLOBE 2016 Leadership Summit for Sustainable Business. This event is focused on building the next generation of corporate leaders, policy thinkers, entrepreneurs and community actors.

This year's theme is "Preparing for the New Paradigm," a day of workshops centered around new models and economies shaping the sustainability space, professional development, capacity building, and identifying emerging employment opportunities as industries respond to the impacts of climate change.

[Leading Change](#) is a national movement started by young environmental and sustainability professionals working together to catalyze action and influence positive change locally, regionally and internationally.

#### Individuals selected to participate will receive:

- Admission to the Forum's plenary panels, breakout sessions, keynotes and social activities designed for emerging environmental leaders
- Discounted accommodation in downtown Vancouver
- Unique networking opportunities with political and industry leaders
- The opportunity to connect with 150 passionate young leaders from across Canada

#### Potential Benefits (subject to availability):

- Access to GLOBE 2016 plenary panels, breakout sessions, keynotes and social events from March 2-4
- Partial subsidization of travel expenses for out-of-town participants
- The opportunity to present your innovative sustainability idea to a GLOBE audience
